### YAMAHA DRUMSET SPECIALS

Inspired by Steve Gadd, Akira started playing drums in college at Keio University in Tokyo. Here he was a member of an 18-piece big band, called the Keio Light Music Society. In 1980, he became the full-time drummer in the internationally renowned, jazz-fusion group, Casiopea. During his 10-year career with the band, he became recognized for his unique playing style and intricate phrasings. With Casiopea, Akira released over a dozen albums, toured the world three times and quickly established himself as something of a musical phenomenon in Japan.
